

Your Teacher Advisers

This year we have 8 teacher advisers to help you prepare for your events. Please contact your teacher advisers as soon as possible to arrange your practice sessions.

Since each teacher adviser is in charge of many students, each student may only have a few practice sessions with his teacher adviser. Therefore you are strongly recommended to prepare on your own as well. You may use the lawn adjacent to the roundabout or the SIP covered playground for practice.

Shall you have any queries, please contact Miss Chuk or a coordinator.

Mr. Eric Chan (EC)
